I forward, herewith, three applications from (1) M.M. Narayana (2) B. Krishnamoorthy and (3) K.M. Balachandra, for financial assistance. 2. The applications were referred to the Dt. Educational Officer who has estimated as follows the minimum financial assistance required in each case. It is learnt from the Director of Public Instruction that repayable advance were granted in all the 3 cases for the year 1943--44. The amount involved is shown against each..

Amount required for 44-45				Amount of advance granted by the D.P.I. in 1943-44 with refce. to G.O.235 E & P H d.11-2--42

The applications fall under Chapter XIII of the Resume of Instructions concerning assistance to be given to Evacuees in Indian Universities.

FINANCE (EXPENDITURE) DEPARTMENT.

U.O. Note No. 11665-Exp-1(0), dated the 7th October 1942.

ES - Delegation Rules issued by the Finance
Department - Application in certain cases - Instructions.

Under Business Rule 12(1), previous consultation with the Finance Department is necessary before the issue of orders which either immediately or by their repercussions will affect the finances of the Province or which, in particular, in any way involve any relinquishment of revenue. Strictly interpreted this would mean that not only should proposals which involve expenditure or loss of revenue be seen by Finance but also that proposals which will result in increased revenue or will safeguard existing revenue should be sent to the Finance Department. It is unnecessary in practice to consult Finance in some of these cases. Thus a proposal to open a new toddy shop when there is no question of a change in financial policy or relaxation of a financial rule need not be sent to the Finance Department. In these cases, it would be sufficient if a copy of the ~~order~~ order, if it is important, is sent to the Finance Department with information as to the financial effect where available.

2. Cases relating to embezzlements should be sent to the Finance Department at the final stage only (i.e. when orders are passed after necessary enquiries) unless the case appears to disclose

Geo. no 700 Edu d 2.5.45

no 29327. From the Collector of S. Kanara 2. Dis 3640-45
d 22.6.45

Please see the p 14 CF. The applications
of Sri M. M. Narayanan + Sri K. M. Balachandran may now be
forwarded to the Govt of India for orders. They are not relatives
of Malayan Govt. servants.
2. It is reported that Sri K. M. Balachandran was
getting a monthly remittance of Rs 60 from his
brother-in-law and it may be presumed that with this
income plus the rent of Rs 10 from the house
owned at Cannanore, it would have been possible to
provide the University fee. In regard to the other student
Sri M. M. Narayanan it is reported that the student's
father was getting a monthly remittance of Rs 80 only
from the relative in F. M. S. It is doubtful whether with this
income, the student's father could have provided education
in the ^{4th} ~~4th~~ University class.

A draft letter is submitted below for approval.
